大作文结尾段高分表达

1. 综上，没有足够的证据证明基因在一个人的成长或行为上占据最重要地位。

In a nutshell, there cannot be enough evidence to conclude the point that genetics play the most important role in the outcome or behaviour of an individual.

2. 因此，一个人的犯罪行为有可能是他们的基因背景和成长环境的共同结果，这样的结论是很明显的。

Above all, it seems obvious to reach the conclusion that an individual's criminal behavior can be the result of both their genetic background and the environment in which they were raised.

3. 根据给出的理由，我深信严厉的刑狱对于那些潜在的罪犯是有效的震慑工具。

I am convinced, for the reasons I have given that tougher prison sentences may act/serve as a deterrent to other would-be offenders.

4.综上所述，工作和学习中的非面对面沟通并不明智。很显然，无论科学技术如何发展，没有什么能够替代人和人之间的交流。

In conclusion, it is not a smart choice to work and study without face-to-face contact. Obviously, there is no substitution for interpersonal connection no matter how advanced the high-tech will develop.

5.总而言之，和谐的邻里关系和较强的社区感能让每个居民的生活更加舒适。尽管我们无法减少工作和学习上的时间，但是我们可以充分利用业余休闲时间增强和邻居与社区的联系。

To sum up, a good relationship with neighbors and a strong sense of community can make every resident's life more comfortable. Although we cannot reduce the time spent on work or study, we can make better use of our spare time to develop strong ties with our neighbors and community.
